

The Eminent Kidney and Bladder Specialist.

The Discoverer of Swamp-Root at Work in His Laboratory.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At druggists in fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y. and mention this paper.

A unique notice.—The following is a copy of a unique notice affixed to the church door at Whitechurch, London: "Missing, last Sunday, some families from church. Stolen, several hours from the Lord's day, by a number of people of different ages dressed up in their Sunday clothes."

A powerful engine cannot be run with a weak boiler, and we can't keep up the strain of an active life with a weak stomach; neither can we stop the human machine to make repairs. If the stomach cannot digest enough food to keep the body strong, such a preparation as Kodol Dyspepsia Cure should be used. It digests what you eat and it simply can't help but do you good. W. J. Sedberry.

"Is there any danger of the boa constrictor's biting me?" asked a lady visitor at the zoological gardens.

"Not the least, ma'am," cried the keeper: "he never bites; he swallows his vittles whole." Tid-

bits.

The claim of other cough medicines to be as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C. D. Glass, an employee of Bartlett & Dennis Co., Gardiner, Me. He says: "I had kept adding to a cold and cough in the winter of 1897, trying every cough medicine I heard of without permanent help, until one day I was in the drug store of Mr. Houlehan and he advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have since always turned to it when I get a cold, and soon find relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines." For sale by The J. F. Crow Drug Co.

Fourteen Mistakes.

An English paper gives a list of what it terms "the fourteen mistakes of life." While there are undoubtedly other mistakes than those mentioned, the list is a fairly-comprehensive one.

It is a great mistake to set up our own standard of right and wrong, and judge people accordingly; to measure the enjoyment of others by our own, to expect uniformity of opinion in this world; to look for judgment and experience in youth; to endeavor to mold all dispositions alike; to lift for perfection in our own actions; to worry ourselves and others with what cannot be remedied; not to yield in immaterial matters; not to alleviate all that needs alleviation as far as lies in our power; not to make allowances for the infirmities of others; to consider everything impossible that we cannot perform; to believe only what our finite can grasp; to expect to be able to understand everything. And the last and greatest mistake of all is to live for time alone, when any moment may launch us into eternity.

Nasal Catarrh quickly yields to treatment by Ely's Cream Balm, which is agreeably aromatic. It is received through the nostrils, cleanses and heals the whole surface over which it diffuses itself. Druggists sell the 50c. size; Trial size by mail, 10 cents. Test it, and you are sure to continue the treatment.

Announcement.

To accommodate those who are partial to the use of atomizers in applying liquids into the nasal passages for catarrhal troubles, the proprietors prepare Cream Balm in liquid form, which will be known as Ely's Liquid Cream Balm. Price including the spraying tube is 75 cents. Druggists or by mail. The liquid form embodies the medicinal properties of the solid preparation.

A Narrow Escape.

A dear little girl sat rocking her doll. A baby mouse crept from a hole in the wall; And both were frightened as they could be, And ran as fast as their feet could flee; And each one trembling told her mother What a narrow escape she'd had from the other!

Don't let the hand of time paint wrinkles on your face. Keep young, by keeping the blood pure and the digestive organs in a healthful condition. Herbine will do this. Health is youth, disease and sickness brings on age. Price, 50 cents. The J. F. Crow Drug Co., at all agents.
